

****COMING SOON****

ILAE's e-Forum Series 2022

ILAE are pleased to announce four virtual e-Forums for 2022, covering Rescue medications (23 February 2022), Cannabinoids (second quarter 2022), Drug Interactions (third quarter 2022) and Selecting the first ASM (final quarter 2022).

Registration for each e-Forum is free and open to all health professionals, but pre-registration is required. Registration will open a month before each e-Forum.

*Please look for announcements on **ILAE's website** or follow us on our social media accounts for further details*

60 minute e-Forum featuring a number of experts examining the topic in detail and covering key learning points with live Q&A

Special access to a self-paced ILAE Academy virtual case to consolidate your learnings after the e-Forum

Exclusive access to a preparatory paper in a peer-reviewed medical journal

Optional post-forum virtual networking session to meet the speakers and engage in an interactive discussion
