Dear President and Secretary-General,

After I received the feedback from Dr. Shih-Hui Lim, the current chair of the Asian Oceanic region, and information regarding how the elections were carried out in the previous years, I would like to propose that we follow a similar procedure as we used in the past for the 2009 election too.

Thus, each chapter should nominate one person from their own chapter (see the attached form). All the submitted names will be included in the ballot.

Also, anyone currently running for election in the Executive Committee, and not elected, will be automatically be added in the ballot, if they so wish.

The ballot that will be mailed out on May 11th to be voted by the regional chapters. The 5 persons with the highest number of votes will be elected. If there is a tie with, all people with the same number of votes will be elected, as long as they received more than one votes.

Dr. Shih-Hui Lim and I will supervise the election process in that region.

Please make sure that either the President or Secretary of the chapter will complete the attached nomination form **by April 27th** and send it to the designated notary: Attorney Arthur L. Herold by email: [aherold@wc-b.com](mailto:aherold@wc-b.com) by fax +1-202-835-0243 or by postal mail to:
