Monthly webinars covering various subjects of epilepsy, ranging from basic to advanced, from neonatal epilepsy to issues in the elderly, chosen according to the needs of and suggestions from members of chapters in the Eastern Mediterranean region. See all future and past webinars.

**YES Webinars**

The ILAE-Young Epilepsy Section Epilepsy Webinars provide educational content and hot topics in epilepsy care and research, presented by international experts. Join the live broadcast or browse the database of previous talks here.

**ILAE-Europe Webinars**

Key experts cover some of the most relevant topics in clinical practice based on the ILAE Curriculum. The level will indicate the level of competence of each individual presentation.

An interactive platform combined with live moderation will allow active participation and give you the opportunity to get an answer to your questions directly from the experts! See all future and past webinars.
